4. Nova Scotia Dodgeball will strongly recommend the following communication guidelines for all Persons in Authority who interact with athletes:

## **Locker Room / Changing Area / Meeting Room**

6. Nova Scotia Dodgeball will strongly recommend the following guidelines for the locker room, changing area, and meeting rooms:

- a) Interactions between a Person in Authority and an individual athlete should not occur in any room where there is a reasonable expectation of privacy such as the locker room, meeting room, washroom, or changing area. A second Person in Authority should be present for any necessary interaction in any such room
- b) If Persons in Authority are not present in the locker room or changing area, or if they are not permitted to be present, they should still be available outside the locker room or changing area and be able to enter the room or area if required

### **Photography / Video**

7. Nova Scotia Dodgeball will strongly recommend the following photography / video guidelines:

- a) Parents/guardians and/or athletes should sign a photo release form (i.e., as part of the league registration process) that describes how an athlete's image may be used by Nova Scotia Dodgeball
- b) Photographs and video may only be taken in public view, must observe generally accepted standards of decency, and be both appropriate for and in the best interest of the athlete.
- c) The use of recording devices of any kind in rooms where there is a reasonable expectation of privacy is strictly prohibited
- d) Examples of photos that should be edited or deleted include:
  - o Images with misplaced apparel or where undergarments are showing
  - o Suggestive or provocative poses
  - o Embarrassing images

### **Physical Contact**

8. Nova Scotia Dodgeball understands that some physical contact between Persons in Authority and athletes may be necessary for various reasons including, but not limited to, teaching a skill or tending to an injury. Nova Scotia Dodgeball will strongly recommend the following touch guidelines:

- a) Unless it is not possible because of serious injury or other circumstance, a Person in Authority should always clarify with an athlete where and why any touch will occur
- b) The Person in Authority must make clear that he or she is requesting to touch the athlete and not requiring the physical contact
- c) Infrequent, non-intentional physical contact, particularly contact that arises out of an error or a misjudgment on the part of the athlete during a training session, is permitted
- d) Making amends, such as an apology or explanation, is encouraged to further help educate athletes on the difference between appropriate and inappropriate contact
- e) Hugging, cuddling, physical horseplay, and physical contact initiated by the Person in Authority is not permitted.

### **Additional Guidelines**

9. Nova Scotia Dodgeball strongly recommends the following additional guidelines:

- a) A Person in Authority should never be alone with an athlete prior to or following a competition or practice, unless the Person in Authority is the athlete's parent or guardian. If the athlete is the first athlete to arrive, the athlete's parent should remain until another athlete or Person in Authority arrives. Similarly, if an athlete would potentially be alone with a Person in Authority following a competition or practice, the Person in Authority should ask another Person in Authority (or a parent or guardian of another athlete) to stay until all the athletes have been picked up. If an adult is not available then another athlete should be present in order to avoid the Person in Authority being alone with a single athlete
- b) Persons in Authority giving instructions, demonstrating skills, or facilitating drills or lessons to an individual athlete should always be doing so within earshot and eyesight of another Person in Authority
